Union Education Society's aim has been to strive for the betterment of the community & to educate the girl child.

The foundation of Mahila Mahavidyalaya was laid with a mission of educating the girl child. It's a proven fact that if a girl child is educated, her entire family is educated.

It's also our prime concern to give quality education along with self confidence, moral values, as well as religious & social responsibilities.

Our Passion for the all round development of the girl child will always continue, Insha Allah.
