REPORT

On dated 15/04/2024 FDP program on "ICT Orientation" was organised by U.E.S. Mahila Mahavidyalaya & Urdu Department of our college, at 12.00 p.m. to 2.00 p.m. in Computer Lab. Mr. Ayyub Bagban (Icon Computer) was invited as a Chief Guest.

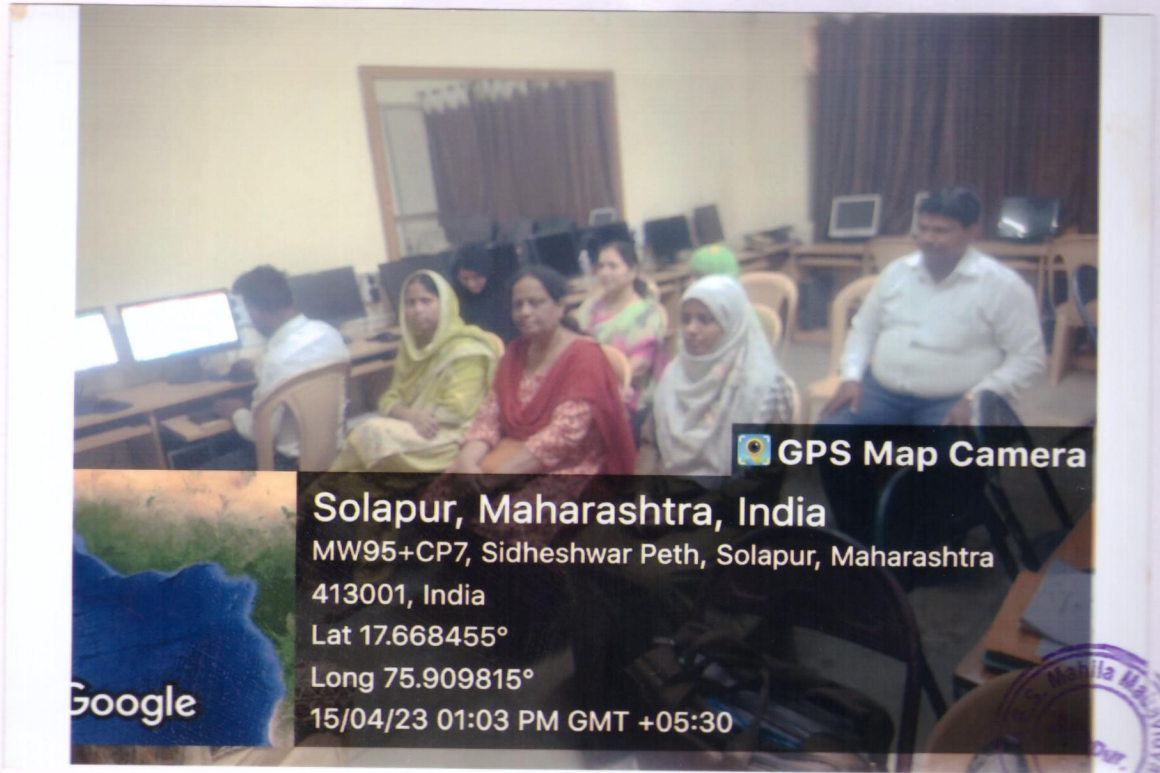

The dawn of 21st Century was brought in its wake a number of new challenges & no. of institution of higher learning can ever afford to ignore them if it really intends to grow not only as a centre of excellence. We also particularly when education has become a commercial enterprise, outmoded streams of knowledge and archaic methods of teaching can no longer guarantee an honourable existence to an individual or institution. Hence the need for new techniques of teaching Methodology on the other are the prerequisite for success. The goals envisioned and given above, if translated into actions would definitely help achieve intellectual and academic growth of the faculty members, scholars, and students and enrich the overall academic atmosphere of the department. These goals would encourage scholars to select subjects for research that have potential to generate new knowledge in the stream concerned. This would also prove conducive to the prospects of consultancy and extension activities of the department. Anchoring and introduction of the program was done by Mrs. Farzana Patel. Vote of thanks given by Dr. Sameena Sayyed.
