INTRODUCTION:

Respecting the Motto of Union Education Society's Mahila Mahavidyalaya, Solapur "**Talub-ul-ilm Farizatun**" means Acquiring Education is Obligatory, and the priority and thrust area. Senior College came into existence under the name and style of "U. E. S. Mahila Mahavidyalaya, Solapur" in the year 1989. The main Architect of this Senior College was the Late Mr. Abdul Aziz Sultan Saheb Shaikh, Ex-president of the Union Education Society, Solapur.

We strongly believe in the dictum that "Knowledge is Power" Acquisition of knowledge leads to emancipation. This is more pertinent for us as ours is a girl's college. We visualize our students as active agents who work toward the eradication of gender inequality in society as they become empowered by the acquisition of higher education.

Educating girls and women's is an important step in overcoming poverty. In equality and poverty are not inevitable. The focus on poverty reduction enable the right to education to be a powerful tool in making a change in the lives of girls and women. poverty has been universally affirmed as a key obstacle to the enjoyment of human right, and it has a visible gender profile. The main reason for this is the fact that poverty results from violations of human rights, including the right to education, which disproportionately affect girls and women.
